

Social Studies Connections Canada Outlooks 5

Chapter Twelve: Renewing Our World

Directions: read pages one hundred eighty-three to one hundred ninety-eight. Answer the questions below in your Social Studies duo-tangs on a **new page**. Start with the **date & your name** – **underlined with a ruler**, and the **title** printed below that. All answers must be in **complete sentences, handwritten, COPS** and very **neat**. (Capitals, periods, spelling and punctuation count!)

Chapter 12.1: Paper of Plastics? ←

1. What are non-renewable resources? List three.
2. What are renewable resources? List three.
3. What would you choose – a paper or plastic bag at the grocery store? Explain **all** your reasons for doing so.

Chapter 12.2: The Forest Industry of British Columbia. *(Remember to rule a line, and write this new title – underline with a ruler)*

1. What did Aboriginal Peoples use wood for?
2. What was the first use the early Europeans had for the timber in B.C.?
3. Why did they then build sawmills?
4. How did handloggers manage to fell trees and get them to sawmills?
5. Why did Europeans begin to clear the forest?
6. What caused the west to grow rapidly?
7. What new machines from the Industrial revolution helped to change the forest industry after 1900?
8. What has all this modern machinery allowed the logging industry to do?

Chapter 12.3: The Three R's. *(Remember to rule a line, and write this new title – underline with a ruler)*

1. What are the three R's that we should be concerned about now?
2. What does "Reducing what we use" mean? Explain. Give some examples.
3. What does "Reuse" mean? Explain. Give some examples.
4. What does "Recycle" mean? Explain. Give some examples.
5. On average, how many kilograms of garbage does each Canadian throw away a year? How many kilograms do you weigh?
6. How can you make a difference in your community by practicing the Three R's?
7. How long could a television run from the energy saved by just recycling one soft drink can?
